It takes a crane to build a crane
It takes two floors to make a story
It takes an egg to make a hen, it takes a hen
to make an egg
There is no end to what I'm saying

It takes a thought to make a word
And it takes some words to make an action
It takes some work to make it work, it takes
some good to make it hurt
It takes some bad for satisfaction

Ah la la la la la life is wonderful
Ah la la la la la life goes full circle
Ah la la la la la life is wonderful
Ah la la la la,

It takes a night to make it dawn
And it takes a day to make you yawn, brother
It takes some old to make you young, it takes some
cold to know the sun
It takes the one to have the other

It takes no time to fall in love
But it takes you years to know what love is
It takes some fears to make you trust, it takes those
tears to make it rust

It takes the dust to have it polished, yeah
Ah la la la la la life is wonderful
Ah la la la la la life goes full circle
Ah la la la la la life is wonderful
Ah la la la la,

It takes some silence to make sound
And it takes a lost before you found it
It takes a road to go nowhere, it takes a toll to make
you care
It takes a hole to make a mountain

Ah la la la la la life is wonderful

Ah la la la la la life goes full circle
Ah la la la la la life is wonderful
Ah la la la la la life is meaningful
Ah la la la la la life is wonderful
Ah la la la la la life is meaningful
Ah la la la la la life is wonderful
Ah la la la la
