Cause it's a bitter sweet symphony this life...
Try to make ends meet, you're a slave to the money
then you die.
I'll take you down the only road I've ever been down...
You know the one that takes you to the places where all
the things meet, yeah.

No change, I can change, I can change, I can change,
But I'm here in my mould, I am here in my mould.
But I'm a million different people from one day to the
next...
I can't change my mould, no, no, no, no, no, no, no

Well I've never prayed,
But tonight I'm on my knees, yeah.
I need to hear some sounds that recognise the pain in
me, yeah.
I let the melody shine, let it cleanse my mind, I feel free
now.
But the airwaves are clean and there's nobody singing
to me now.

No change, I can change, I can change, I can change,
But I'm here in my mould, I am here in my mould.
And I'm a million different people from one day to the
next
I can't change my mould, no, no, no, no, no, no, no

Have you ever been down?
I can change, I can change...

Cause it's a bittersweet symphony this life.
Trying to make ends meet, try to find somebody then
you die.
You know I can change, I can change, I can change,
But I'm here in my mould, I am here in my mould.
And I'm a million different people from one day to the
next.
I can't change my mould, no, no, no, no, no, no, no

Well it's just sex and violence, melody and silence
It's just sex and violence, melody and silence

(Have you ever been down)
(I'll take you down the only road I've ever been down)
