Been in this cell block seven years too long  
Payin' for a crime when I didn't do anything wrong  
Lyn' here rotting for someone else's mistake  
I've come to my senses, it's time to make a break

Breakout, I'm coming after you  
Breakout, I say our love is overdue  
Breakout, I'm at the breaking point  
Breakout, gonna bust out of this joint

I'm sick and tired of punchin' out license plates  
For a criminal justice system that I hate  
The food here sucks, I'm not about to wait  
Well I've come to my senses, It's time to make a break
