Waiting here for something
I know I'll never see
And I know I asked for some things
I could never reach

But again that fate
Just the same old me
Another place in time anyway

S.O.S. to loneliness
I got 3 whole years to sit on this
Through our wait in line
Say it's not my time, no it's not my time
Get it up, get up, and get it to go
Let it go, let it go, let it go

See my back is missing something
It takes to be a man
And I know I could say something
But I'll probably wait on it.

But again that thing,
Just the same old me
Another place in time anyway

S.O.S. to loneliness
I got 3 whole years to sit on this
Through our wait in line
Say it's not my time, no it's not my time
Get it up, get up, and get it to go
Let it go, let it go, let it go

I got a place in my hand
I got somewhere to be
I got a place in my mind
Sometimes the worst is letting someone see
Somebody see my love, my love.
Sometimes the worst is letting someone see

So here's an S.O.S. to loneliness
I got 3 whole years to sit on this

Through our wait in line
Say it's not my time, no it's not my time
Get it up, get up, and get it to go
Let it go, let it go, let it go
