I'm drivin' down the road, doin' 95 miles per hour, oh  
yeah  
My radio's blastin' and I'm passin' cars faster and  
faster, aha  
I'm feelin' kinda down 'cos I left her with a frown, my  
baby, oh yeah  
We always seem to fight when things are goin' right  
and maybe, aha  
Maybe I should turn around, maybe I should stop,  
maybe I should turn around

Chorus:

Speedin' back to my baby, and I don't mean maybe  
Speedin' back to my baby, and I don't mean maybe

You know, maybe I should turn around, maybe I should  
stop  
Maybe I should turn around

I'm lookin' for a station, 'cos there's no acceleration to  
get back, oh yeah  
My gage is showin' red and my battery's dead, I'd  
better find one fast  
The whole thing began 'cos I saw her with a man, my  
baby, oh yeah  
I really wouldn't mind, but you know I've got my pride to  
think of, aha

Maybe I should turn around, maybe I should stop,  
maybe I should turn around

Chorus

I found me a station, now I got acceleration to get back,  
oh yeah  
She's my only girl and to me she's just the world, so  
maybe, aha

Maybe I should turn around, maybe I should stop,  
maybe I should turn around

Chorus repeats out
