Jet trails across an autumn sky  
High tail it to your bikes and fly  
If you could  
Over the neighborhood  
Zipped up against the evening damp  
You're off and riding up the ramp  
And where you land  
Is different than where you planned

CHORUS

Ape hanger  
We're gonna ride right off  
Wrote our names on Cemetery Bridge  
Threw jack-o-lanterns off the edge  
Into the dark  
And waited for dogs to bark

CHORUS
