Hey man you wanna be the pilot  
Of a kamikaze aeroplane  
Instead I bet you're gonna add it to  
A list of things you never tried

You're a fifth wheel, a fourth class  
Third string second rate kind of guy  
And sometimes you feel like  
A pot lick limp dick butterfly

Hey man you wanna jump a canyon  
On a rocket powered motor bike  
Instead I bet you're gonna add it  
To a list of things you never tried

'coz you're a fifth wheel, a fourth class  
Third string second rate kind of guy  
And sometimes you feel like  
A pot lick limp dick butterfly

Sometimes you feel like  
A pot lick limp dick butterfly  
Sometimes you feel like  
A pot lick limp dick butterfly

Hey man you wanna be the pilot  
Of a kamikaze aeroplane  
Instead I bet you're gonna add it to  
A list of things you never tried

You're a fifth wheel, a fourth class  
Third string second rate kind of guy  
And sometimes you feel like  
A pot lick limp dick butterfly

Gimme gimme some love  
Sometimes you feel like  
A pot lick limp dick butterfly  
Sometimes I feel like  
A pot lick limp dick butterfly
