Robots coming through the corn
Magnus, sir lancelot reborn
For you he lays it on the line
For you defending human kind
Built a little wider magnus, robot fighter

Robots up around the bend
Magnus, with you until the end
For you he takes it to the wall
For you annihilates ã,âiã,â®em all
Wound a little tighter magnus, robot fighter
Magnus is dreaming of the day
When robots won't get in the way
For you he plays it as it's dealt
For you he'll sacrifice himself
Lit a little brighter magnus, robot fighter
Sxary as a spider magnus, robot fighter
