He was born to a whore  
On a flophouse floor  
They held him up and he cried  
Said have you ever heard  
A sound so sore  
Said not since superman died  
She cursed and hit  
And denied him tit  
'til he grew and ate her alive  
Said have you ever seen such a mess  
Said not since superman died

She was walking down  
Near the edge of town  
So they stopped and gave her a ride  
Said have you ever been to baltimore  
Said not since superman died  
She wagged her tongue  
As he gripped his gun  
And she touched his hand and he cried  
Said have you ever had a girl before  
Said not since superman died

He was caught in the midst  
Of a nicotine fit  
It burned him up from inside  
Said otis do you have a cigarette  
Said not since superman died  
They wrapped her in a plastic bag  
And threw her over the side  
Said otis do you ever feel remorse  
Said not since superman died
