Frozen fingers on a coco wheel
Hot emotions that you can't conceal
Stay on the freeway
Take the chance of your life

Screamin' sirens cryin' in your ear
Flashin' red lights burnin' in the mirror
Come on step on it
Get them out of your sight

Can't be too cool
When you're dancin' with danger
Don't play the fool
When you're dancin' with danger, hey

Runnin' lonely and your out of steam
Silent madness when you try to speak

Shattered pictures
Of a face you once knew

Life can be cruel
When you're dancin' with danger
Don't be too cool
When you're dancin' with danger

Can't be too cool
When you're dancin' with danger
Don't play the fool
When you're dancin' with danger

Can't be too cool
When you're dancin' with danger
Don't play the fool
When you're dancin' with danger

Life can be cruel
When you're dancin' with danger
