Well, in this life I've seen everything I can see woman  
I've seen lovers flying through the air hand in hand  
I've seen babies dancing in the midnight sand

And I've seen dreams that come from the heavenly  
skies above  
I've seen old men cryin' at their own grave sites  
And I've seen pigs all sittin' watchin' picture slides  
But I..  
Ain't never seen nothin' like you

Do ya, do ya, want my love  
Woman  
Do ya, do ya, want my face  
I need it  
Do ya, do ya, want my mind  
I'm saying  
Do ya, do ya want my LOVE

Well, I've heard the crowd singin' outta tune  
As they sat and sang Auld Lang Syne  
By the light of the moon

And I heard preachers bangin' on their drums  
Rat-tat-tat  
And I've heard police playing with their guns  
But I..  
Ain't never heard nothin' like YOU!

In the country  
Where the sky touches down on the field  
She lay her down to rest  
In the morning sun

They come a runnin' just to get a look  
Just to feel, to touch, her long black hair  
They don't give a damn  
Cuz I..  
Ain't never seen nothin' like YOU!

Well, I think you know what I'm tryin' to say  
Woman

That is I'd like to save you for a rainy day

I've seen a 'nuff of this world to know  
That I've got to, got to, get it all  
Get it all to grow

Now, do ya, do ya, want my love  
Woman  
Do ya, do ya, want my face  
I need it  
Do ya, do ya, want my mind  
I'm saying  
Now, do ya, do ya, want  
The ACE

C'mon and tell me!

Do ya, do ya, want my LOVE  
Do ya, do ya, want my LOVE  
Oh, YEAH!!!
