I know you've been up
I've seen you flyin'
Sometimes I'd wish
That you would fall down

I'm tired of your act
You're not even tryin'
Any dreams of hope
Are dashed all away

I'll take you down, so you can see
Take you down, what you've done to me
Take you down, you're wanted by all below

Ooh, fallen angel
Ooh, fallen angel

Many times alone
I've been here waiting
And many times again
I could not care less

But you've got a hold
And deep down I'm shakin'
I won't let you make
A fool out of me

I'll take you down, so you can see
Take you down, what you've done to me
Take you down, you're wanted by all below

Ooh, fallen angel
Ooh, fallen angel

Ooh, fallen angel
Ooh, fallen angel
Ooh, fallen angel
Ooh, fallen angel

Ooh, fallen angel
Ooh, fallen angel
