I got a feeling inside  
About to drive me half wild  
I'm not afraid of it  
Kinda like the taste of it!  
We're gonna get it on tonight  
Things are feeling oh so right  
It makes me tingle inside, so gimme more, gimme  
more

[CHORUS:]

I'm a stranger in a strange land  
I'm not afraid of it, kinda like the taste of it  
You really got to understand  
I'm not abusing it, girl, because I'm choosing it!  
I'm a stranger in a strange land  
I'm not afraid of it, want a little more of it  
It's only ten o'clock  
Really fell the need to rock  
I think I got it now  
No one has to show me how  
I'm feeling more at home  
I don't feel the need to roam  
Everything is in the right place  
So gimme more, gimme more

[CHORUS]

[BRIDGE:]

When the feeling is right, there's no need to fight  
I'd rather make love to you  
So come along for the ride, don't wanna see you hide  
You can please me, while I'm pleasing you, yeah

[CHORUS]
