I need some love, so give me some  
You know I want some love, so turn me on  
Sometimes I feel so low, sometimes I feel I'm on top,  
you know  
Now girl I hate to start, 'cos then you gonna stop

I'm in need of love  
I'm in need of love  
I'm in need of love  
And I'm hopin' you're in need of me

Now I want some love, so give me some  
You know I need some love, so turn me on  
It's just that devil in me, that keeps on comin' through  
all the time  
When things start lookin' good, some things start  
lookin' blue

I'm in need of love  
I'm in need of love  
I'm in need of love  
And I'm hopin' you're in need of me  
Now I want some love, so give me some  
You know I need some love, so turn me on  
Things keep on turning 'round, when things should be  
sittin' straight  
Now turn around

Girl it's not my fault, I guess it's just my fate, you know  
me  
'Cos all I want is love, so turn me on, you've got to  
And all I need is love, so give me some, just a little  
'Cos all I want is love, so turn me on, one more time

All I need is love, so give me some, ooh yeah do it like  
that  
'Cos all I want is love, so turn me on and on and on  
All I need is love, so give me some
