It was back in the summer of '83
There's a reason, I remember it well
I was slippin' and slidin', drinkin' and drivin'
And bringin' me closer to hell

And the devil sat in the passengers side
Of De Loreans automobile
He said, "Hey Frehley, Frehley lets not be silly
There's a life out there to steal"

Rock soldiers come
Rock soldiers go
And some hear the drum
And some never know
Hey rock soldiers, how do we know?
Ace is back and he told you so

With a trooper in the mirror
And Satan on my right
We went wrong way down a one way road
Hittin' everything in site

I cried, I am invincible
Said, "I was high above the law
But my only high was just a lie
And now I'm glad I saw"

Rock soldiers come
Rock soldiers go
And some hear the drum
And some never know
Hey rock soldiers, how do we know?
Ace is back and he told you so

Calling rock soldiers
You, rock soldiers
Calling rock soldiers
Hard rock soldiers

Hup, two three four
Rock, two three four
Hup, two three four

Rock, two three four
Hup, two three four
Rock, two three four
Hup, two three four
Rock, two three four
Hup, hup, hup, hup

Friends say, "They'll stay with you
Right through the danger zone"
But the closer you get to that fiery hole
You'll have to make it alone

When I think of how my life was spared
From that near fatal wreck
If the devil wants to play his card game now
He's gonna play without an ace in his deck

Rock soldiers come
Rock soldiers go
And some hear the drum
And some never know
Hey rock soldiers, how do we know?

Rock soldiers come
Rock soldiers go
And some hear the drum
And some never know
Hey rock soldiers, rock soldiers
