Lady Space, she's like the way I make you feel inside
Take a rocket ride
From the start she wanted to fly
I got the rocket and you want the ride, take a rocket
ride

Baby wants it fast, baby wants a blast
She wants a rocket ride, she wants a rocket ride
Baby wants it fast, baby wants a blast
She wants a rocket ride, she wants a rocket ride

Lady Space, you better wake up fast
The countdown is comin' on, take a rocket ride
The gravity that used to hold you down
Just don't exist no more, take a rocket ride

Baby wants it fast, baby wants a blast
She wants a rocket ride, she wants a rocket ride

Baby wants it fast, baby wants a blast
She wants a rocket ride, she wants a rocket ride

Now grab a hold of my rocket

Baby wants it fast, baby wants a blast
She wants a rocket ride, she wants a rocket ride
Baby wants it fast, baby wants a blast
She wants a rocket ride, she wants a rocket ride

Baby's on her knees, baby wants to please
She wants a rocket ride, she wants a rocket ride
Baby's on her knees, baby wants to please
She wants a rocket ride, she wants a rocket ride

She wants a rocket ride
