Stop lookin' down and look up and be proud of it  
Don't be a fool and keep takin' all that shit  
It's time you saw that it's wrong to be pushed aside  
Stand up and fight and you soon will realize

Now, listen, you gotta separate the men from the boys  
If you hesitate, you might lose a lot of joys  
Grab a hold of your girl and give her everything you  
can  
If you can penetrate, she'll make you feel like a man

Always remember your strength comes from deep  
inside  
This world's a joke, so beware, you could lose your  
mind  
So don't be fooled by the lies lots of people say  
Trust in yourself and you surely will find a way

Now, listen, you gotta separate the men from the boys  
If you hesitate, you might lose a lot of joys  
Grab a hold of your girl and give her everything you  
can  
If you can penetrate, she'll make you feel like a man

Separate the men from the boys  
If you hesitate, you might lose a lot of joys  
Grab a hold of your girl and give her everything you  
can  
If you can penetrate, she'll make you feel like a man

You gotta separate the good from the bad  
If you hesitate, you might end up feeling sad  
Grab a hold of your girl and squeeze her tight and  
don't let go  
If you penetrate, by then you should know

Separate the men from the boys  
If you hesitate, you might lose a lot of joys  
Grab a hold of your girl and give her everything you  
can  
If you can penetrate, she'll make you feel like a man
