I got a feeling inside about to drive me half wild
I'm not afraid of it, I think I like the taste of it
We're gonna get it on tonight, things are feeling oh so
right
It makes me tingle inside

So, gimme more, gimme more

Stranger in a strange land
I'm not afraid of it, kinda like the taste of it
You really got to understand, I'm not abusing it, girl
Because I'm choosing it, stranger in a strange land
I'm not afraid of it, want a little more of it

It's only 10 o'clock, really feel the need to rock
I think I got it now, baby no one has to show me how
I'm feeling more at home, I don't feel the need to roam
Everything is in the right place

So, gimme more, gimme more

Stranger in a strange land
I'm not afraid of it, kinda like the taste of it

You really got to understand, I'm not abusing it, girl
Because I'm choosing it, stranger in a strange land
I'm not afraid of it, want a little more of it

When the feeling is right, there's no need to fight
I'd rather make love to you, so come along for the ride
Don't wanna see you hide, you can please me
While I'm pleasin' you

So gimme more, gimme more

Stranger in a strange land
I'm not afraid of it, kinda like the taste of it
You really got to understand, I'm not abusing it, girl
Because I'm choosing it, stranger in a strange land
I'm not afraid of it, want a little more of it
You really got to understand, I'm not abusing it, girl
Because I'm choosing it, stranger in a strange land
