Wiped Out!

I went to a party, just so smartly, cool as cool could be  
I knew I could make it, knew I could shake it, lose some  
fancy free

So I went to the table and reached for a bottle  
And poured me a glass of wine  
Took a few sips and looked around, I was feelin' fine

matter of time  
Then you started to move with such a groove, stronger  
than sneakin' slow

Then you looked at me with your big blue eyes, they  
had such a glow  
Then I took your hand and tried to stand and ended up  
sittin' back down  
Then you smiled at me and gave me a wink, how quick  
I lost my frown, I was

So I thought to myself, wine was out, we should switch  
to rum  
So without a word, and like some bird, we flew to  
another place  
And pretty soon we were in some room stretched miles  
out in space  
The room was turnin', we were burnin', things became  
a haze  
It seemed that already I had too many, firewater

caused the blaze, I was
