Can't stop tossing
And turning at night
It gets harder each day fighting
With this feeling inside

You can swear that you love me
By every star in the sky
But when you're close to me
You get that look in your eyes
A burning feeling, you just can't disguise

Words are not enough
To make me feel like a man in love
Words are not enough
To make me feel like a man in love

We need each other
It's easy to see
You know I'm shakin' all over
Thinkin' how good this could be

You can tell me you need me
And you can tell me you're mine
But when you're in my arms
The world stops spinnin'
And we lose all track of time

Words are not enough
To make me feel like a man in love
Words are not enough
To make me feel like a man in love

You can tell me you need me
And you can tell me you're mine
But when you're in my arms
The world stops spinnin'
And we lose all track of time

Words are not enough
To make me feel like a man in love
Words are not enough
To make me feel like a man in love

Words are not enough
To make me feel like a man in love
Words are not enough
To make me feel like a man in love
