Verse 1

Its like Eminem and Dr. Dre
If I loved you more I might be gay
And when I'm feeling down
You know just what to say
You my homie, Yeah you know me
And if you ever need a wingman
I'd let any girl blow me off
Cus you're more important than the rest
I confess, I'm a mess
If I'm not hanging with my BFF
You know its true, you my male boo,
Now sing the chorus with me if you're feeling the same
way too.

Chorus

Bromance, nothing really gay about it
Not, that there's anything wrong with being gay
Bromance, Shouldn't be ashamed or hide it
I love you in the most heterosexual way.

Verse 2

Hold me
To a promise that I'll be the kind of the friend that in
the end
Will always keep you company
Because when the world gets tough
And times get hard
I will always love you, I'll be your bodyguard
Cus you're my bestie, and if you test me
I'll prove it time and time again, I got your back until the
end
A brotha from anotha motha never knew how much I
loved ya
Till i started singing this song... huh?

Chorus

Bromance, nothing really gay about it
Not, that there's anything wrong with being gay
Bromance, Shouldn't be ashamed or hide it
I love you in the most heterosexual way.

Bridge

Now that I told you how I feel
Hope you feel the same way too
BUT if you dont, this song was just a joke
BUT if you do, I LOVE YOU

Chorus

Bromance, nothing really gay about it
Not, that there's anything wrong with being gay
Bromance, Shouldn't be ashamed or hide it
I love you in the most heterosexual way.
