Aku di pikiranmu, sampai mati e e e
Karna kau ragu-ragu (mungkin ini salahmu sendiri)
Kalau dirimu bisa sayangi aku
Tunjukkan yang kusuka kau punya hati e e e

And I know that you care for me
And I know that you're here for me
But do yo think you can handle me?
Can you handle me?
Can you handle me?

Do you really wanna love somebody?
Are you ready for someone like me?
Do you really wanna love somebody?
Cause my love don't come easily

Reff:
I'm a bad girl, bad girl
(Whatchu gon' do?)
Bad girl, bad girl
(Whatchu gon' do?)
Bad girl, bad girl
(Whatchu gon' do?)
Bad girl, bad girl

Jangan kamu sesali kalau nanti e e e
Kau dan aku tak bisa (mungkin ini salahmu sendiri)
Kalau dirimu bisa sayangi aku
Tunjukkan yang kusuka kau punya hati e e e

And I know that you care for me
And I know that you're here for me
But do yo think you can handle me?
Can you handle me?
Can you handle me?

Do you really wanna love somebody?
Are you ready for someone like me?
Do you really wanna love somebody?
Cause my love don't come easily

Do you have what it takes to unlock my heart?
Do you know what to face if you tore it apart?
There's a tattoo on my heart, boy
And it's written in the deep
Love is on the road if you find it
Please don't go ask me

And I know that you care for me (I know, I know)
And I know that you're here for me (I know, I know)
But do yo think you can handle me?
Can you handle me?
Can you handle me?

Do you really wanna love somebody?
Are you ready for someone like me?
Do you really wanna love somebody?
Cause my love don't come easily
