Tout pour toi
Liaison dangereuse

[Verse 1:]

I tried to write you a love song I thought I could
So far what I told, you misunderstood
It used to be so good
What went wrong with us
I remember our night in Montparnasse
You gave me a painting made of us
So I cherish our moments when we still were young

[Bridge:]

I won't give it up
Can't you see I'm not strong enough
Don't call my bluff
A sunny, sunny day

[Chorus:]

I'm doing it all for you
But you're letting me down, you better turn around
I'm doing it all for you
a-a a-All for you

L'amour ou le neant

[Verse 2:]

Hand in hand on our journey we're set for love
You and me against the world, we were never apart
So naive I could be, I thought our love would last

[Bridge:]

I won't give it up.
Can't you see I'm not strong enough
Don't call my bluff

A sunny, sunny day

[Chorus:]

I'm doing it All for you
But you're letting me down, you better turn around
I'm doing it All for you

a-a a-All for you

I'm doing it All for you
But you're letting me down, you better turn around
When I am singing the blues for you
a-a a-All for you

[Mid 8:]

Come to me honey, help me understand
About your feelings, about your plans
Just one more chance to hear my prayer

[Chorus:]

I'm doing it All for you
But you're letting me down, you better turn around
I'm doing it All for you
a-a a-All for you

I'm doing it All for you
But you're letting me down, you better turn around
I'm doing it All for you
a-a a-All for you

[B-Hook:]

All for you
I would do the same tomorrow, All for you.
Without no regrets no sorrow
