Is there something about you
That I don't already know?
Something about me
That'll make you break my heart and go?
Been through it all
More than a thousand times

For the last time
Come and wake me up
Be a sign
Be my ordinary
More than any
Legendary love

She's got to be the queen of angels above
She's got to be a true angel of love
In the world
Ooh yeah, yeah, yeah

You say you're looking for someone
From a cover of a magazine
Romance and beauty
But it isn't always what it seems
Look into my eyes
My tears won't lie

For the last time
Come and wake me up
Be a sign
Be my ordinary
More than any
Legendary love

She's got to be the queen of angels above
She's got to be a true angel of love
In the world
Ooh yeah, yeah, yeah
She's got to be the queen of angels above

She's got to be a true angel of love
In the world
Ooh yeah, yeah, yeah

For the last time
Come and wake me up
Be a sign
Be my legendary love

Wo-oooh
Never thought I'd see the day
Never thought I'd see the day love come your way
Ooh yeah, yeah
Never thought I'd see the day
Never thought I'd see the day love come your way

She's got to be
She's got to be
(Ooh, yeah, yeah)
She's got to be
She's got to be

(Wo-oooh, wo-ohh, yeah)
She's got to be the queen of angels above
(Legendary love)
She's got to be a true angel of love
In the world
Never thought I'd see the day
Ooh yeah, yeah, yeah

Wo-oooh ohh-ho
