VERSE 1

You show no hesitation
Show some emotion
What do you want to do?

You're living like a daydream
You let the beauty move (???)

Oh with your education boy this nation
what do you want to do

Your sitting in front (of) the tv
or dance the night away

CHORUS

Your daddy can't take you home
Your daddy can't give you answers
Your daddy can't give you feelings of your own

REPEAT CHORUS

VERSE 2

Why you are such an ignorant
and misbehaving child
is what everybody wants to know

You blame your family for being careless in the past
You're just taking care before yourself
