I am as young as I'm feeling
I'm always 21, I am always 21
C'est la vie, c'est la vie, c'est la vie
I'm always 21 at heart, love listen to me
Ooooh yeah yeah yeah
I need somebody to stay beside me
Cause I've got a hungry heart
Baby with or without love
I'm gonna get a Man who can fulfill my dreams
On the top of the world I don't wanna be alone
No no no not me

C'est la vie, c'est la vie, c'est la vie
On the road tonight
life is good for you, always 21
C'est la vie, c'est la vie, c'est la vie
On my own tonight
life is good for you, always 21

Love is a lyer, but I'm a tryer,
Give it another go
You have another, yes I have seen her,
I wonder who she is
Does she kiss you the way
That I used to kiss you
I bet she wonders
Who I am

C'est la vie, c'est la vie, c'est la vie

On the road tonight
life is good for you, always 21
C'est la vie, c'est la vie, c'est la vie
On my own tonight
life is good for you, always 21
C'est la vie, c'est la vie, c'est la vie
On my own tonight
Love will come to you
You are always 21

I get older everyday
But I will fight it till the end

There's a man for me to have and to hold
Easy come and easy go
Once bitten but not for long
And as young as I'm feeling
Yes I am

C'est la vie, c'est la vie, c'est la vie
On my own tonight
Love will come to you
You are always 21
C'est la vie, c'est la vie, c'est la vie
On my own tonight
Life is good for you, always 21
You are always 21

Always, always, always
Life is good for you you are always 21
