What an odd situation
What you got is basic emotions
Can you feel them
I want to be your lover
But you're so shy
What you need is perfect assistance
Let me guide you
To a land you've never seen before

I guess you see
I have another daydream
I guess you see
That I have another daydream
CHORUS: Come and be a dancer
Dance into my daydream
Join me in a daydream wet and wild
Come and be a dancer
Dance into my daydream
Join me in a jungle wet and wild

To help another person
Will make you feel important

You got my invitation
But you're so shy
Come and let your wild side show
And be a dancer
A dancer in a daydream we can share

Who will take the lead?

REPEAT CHORUS

Help me take control
Of my full imagination
I'm looking for a man
Who can match my situation
I'm thinking about the people
Waiting down the line
I am in the limelight now's my time
I guess you see...
What you gonna do I'm a bold explosion
