Ace Of Base - Doctor Sun

=====

I don't want to be alone on the beach no
give me dr. sun he's my man
I don't want to be alone on the beach no
angel of the night give him to me
I believe to let a little sunshine in my life
I believe in him and me
my vacation is gonna be a pleasant memory
I will have him everyday

I'm gonna do what's good for me
I'm gonna meet dr. sun
liasson dangerous for me
I share it with the cream of girls
who's the worst
in seeking dr. sum
I don't want to be alone on the beach no
give me dr. sun he's my man
I don't want to be alone on the beach no
angel of the night give him to me
I believe to let a little sunshine in my life
I believe in him and me
my vacation is gonna be a pleasant memory
I will have him everyday

I can never live without him, I can't stant it
