Donnie  
Donnie  
Donnie's got a secret and you know it  
He was your's in the summertime yeah  
About ten years ago  
He promised you to stay forever  
Live with you  
It's so bittersweet now  
When you know what you lost

Donnie was the boy you always wanted  
By your side  
Donnie was the boy your girlfriends fell for one by one  
Donnie was the boy you always wanted  
Day and night  
But Donnie had a girlfriend tender, sexy, sweet and  
blonde

In the summer time, yeah  
In the summer time, life was easy  
On the beach you had him long ago, oh

He's always on your mind  
The season changes  
Years went by  
But that chapter of love  
Stays unfinished for you

Keep on dancing through your new life  
Maybe, make a move

Make him see you again  
As the flower you are

Donnie was the boy you always wanted  
By your side  
Donnie was the boy your girlfriends fell for one by one  
Donnie was the boy you always wanted  
Day and night  
But Donnie had a girlfriend tender, sexy, sweet and  
blonde

In the summer time, yeah  
In the summer time, life was easy  
On the beach you had him long ago

Donnie was the boy you always wanted  
By your side  
Donnie was the boy your girlfriends fell for one by one  
Donnie was the boy you always wanted  
Day and night  
But Donnie had a girlfriend tender, sexy, sweet and  
blonde

Donnie was the boy you always wanted  
By your side  
Donnie was the boy your girlfriends fell for one by one  
Donnie was the boy you always wanted
