(Billy Steinberg, Rick Nowels & Maria Vidal)

I see dark clouds out my window
I know the storm is coming any minute
And the thunder just confirms my fears
And I know the tears are in it
I'll be cryin unable to stop
Look here comes the very first drop
"cause every time it rains
I fall to pieces
So many memories the rain releases
I feel you
I taste you
I cannot forget
Everytime it rains
I get wet
Darlin I am still in love with you
As time passes by it just intensifies
I know I'll never be with you again
I'll never find another with that kindness in his eyes
I'll be trying unable to stop
Look here comes the very first drop
"cause every time it rains
I fall to pieces
So many memories the rain releases
I feel you
I taste you
I cannot forget
Everytime it rains
I get wet
On sunny days I'm all right
I walk in the light
And I try not to think about
The love I live without
But every time it rains
I fall to pieces
So many memories the rain releases
I feel you
I taste you
I cannot forget
Everytime it rains
I get wet
"cause every time it rains (every time it rains)

I fall to pieces (every memory)
So many memories the rain releases
I feel you
I taste you
I cannot forget
Everytime it rains (every time it rains)
I get wet
"cause every time it rains (every time it rains)
I fall to pieces (every memory)
So many memories the rain releases
I feel you
I taste you
I cannot forget
Everytime it rains (every time it rains)
I get wet
