Laudate omnes gentes laudate
Magnificat en secula
Et anima mea laudate
Magnificat en secuala

Happy nation, living in a happy nation
Where the people understand and dream of perfect
man
Situation leads to sweet salvation
For the people, for the good, for mankind, brotherhood

We're traveling in time

Ideas by man and only that will last
And in our life we learned from the past
To the knowing man's will to rule the world alone
And the man will die, but not his ideas

Happy nation, living in a happy nation
Where the people understand and dream of perfect
man
Situation lead to sweet salvation
For the people, for the good, for mankind, brotherhood
We're traveling in time

Traveling in time

Tell them we've gone too far
Tell them we've gone too far
(Happy nation)
tell them and I will dance with you
(Happy nation)

Tell them we've gone too far
(Happy nation)
Come through and I will dance with you
(Happy nation)
Tell them we've gone too far
tell them and I will dance with you

Happy nation, living in a happy nation
Where the people understand and dream of perfect

man
Situation lead to sweet salvation
For the people, for the good, for mankind, brotherhood

Happy nation
Happy nation
Happy nation
Happy nation
