I enter your life now make no mistakes
Can you reach me? Can you reach me?
I enter your life now make no mistakes
Can you reach me? Can you touch me?

Can you hear me calling in the night?
My love's so strong I can't get it right
Can you feel my longing through the night?
You've got me totally hypnotized

Ooh, ooh yeah
Ooh, ooh yeah

I came in a black dress but left in a white
Can you reach me? Can you reach me?
I came in a black dress but left in a white
Can you reach me? Can you touch me?

Can you hear me calling in the night?
My love's so strong I can't get it right
Can you feel my longing through the night?
You've got me totally hypnotized

Can you hear me calling in the night?
My love's so strong I can't get it right
Can you feel my longing through the night?
You've got me totally hypnotized

Looking for eyes
The dream is so nice
The rhythm of the song, where you belong
I want is your heart and soul

Ooh, ooh yeah
Ooh, ooh yeah

I'm high on emotion, you're here with me
You can reach me, you can reach me
I'm high on emotion, you're here with me
You can reach me, you can touch me

Can you hear me calling in the night?

My love's so strong I can't get it right
Can you feel my longing through the night?
You've got me totally hypnotized

Hypnotized, I am hypnotized
Hypnotized, I am hypnotized

Hypnotized, I am hypnotized, [Incomprehensible]
I am hypnotized, hypnotized, [Incomprehensible]
I am hypnotized, hypnotized, [Incomprehensible]
Hypnotized, I am hypnotized
