I enter your life now, make no mistakes  
Can you reach me, can you reach me?  
I enter your life now, make no mistakes  
Can you reach me can you touch me?

Can you hear me calling in the night?  
My love so strong I can't get it right  
Can you feel my longing through the night?  
You've made me totally hypnotized  
And again, I am back on track again  
Your eyes still shine

I came in a black dress, but left in a white  
Can you reach me can you reach me (ah ha ha)  
I came in a black dress, but left in a white  
Can you reach me can you touch me

Can you hear me calling in the night  
My love so strong I can't get it right  
Can you feel my longing through the night  
You've got me totally hypnotized  
Can you hear me calling in the night  
You've made me totally hypnotized

Ah ah ah ah ha  
Ah ah ah ah

Your eyes still shine

Now who's gonna stop me, but I'm too strong  
Can you reach me, can you reach me (ah ha ha)  
Now who's gonna stop me but I'm too strong,  
can you reach me can you touch me

Can you hear me calling in the night  
My love so strong I can't get it right  
Can you feel my longing through the night  
You've made me totally hypnotized  
Can you hear me calling in the night  
Night

Your eyes still shine

Eyes  
Your eyes still shine  
Did you think about love, love  
Did you think about love, love  
Did you think about love  
Love, love  
Did you think about love, love  
Did you think about love, love  
Did you think about love, love  
Did you think about love  
Love, love  
Did you think about love, love
