Shock!

I, I got a new life

You would hardly recognize me

I'm so glad

Why would a person like me care for you

Why do I bother

When you're not the one for me

Ooooooo

Is enough enough

I saw the sign

And it opened up my eyes

I saw the sign

Life is demanding

Without understanding

I saw the sign

And it opened up my eyes

I saw the sign

No one's gonna drag you up

To get into the light where you belong

But where do you belong

Under the pale moon

For so many years

I've wondered who you are

How can a person like you bring me joy

Under the pale moon

Where I see a lot of stars

Ooooooo

Is enough enough

I saw the sign

And it opened up my eyes

I saw the sign

Life is demanding

Without understanding

No one's gonna drag you up

To get into the light where you belong

But where do you belong

I saw the sign

And it opened up my mind

And I am happy now  
Living without you  
I've left you  
I saw the sign  
And it opened up my eyes  
I saw the sign  
No one's gonna drag you up  
To get into the light where you belong

I saw the sign, I saw the sign, I saw the sign, I saw the  
sign

I saw the sign  
And it opened up my eyes  
I saw the sign
