I'm driving through the night  
I'm driving through the rain  
The engine roars I'm on my  
Way for Mr. Pain

My eyes keep seeing what  
My mind wants to forget  
Those sequences  
They Rock n' Roll inside my head

Over and over and over again  
I concentrate harder and harder and then

You are just an image  
(That I can see)  
You are not for real, you are not for real  
You turn into a picture of somebody  
(That I can see)  
Someone I don't know, someone

The wolves cry out tonight  
I see your broken line  
The sun will rise without  
A love without a smile

I always think about  
The way you had to leave  
I'll close my eyes  
'Cause I was with you by that time

Faster and faster and faster ahead  
As if you were waiting for me down the way

You are just an image  
(That I can see)  
You are not for real, you are not for real  
You turn into a picture of somebody  
(That I can see)  
Someone I don't know, someone I don't feel

You turn into a picture of somebody  
Someone I don't know, someone

You are just an image  
You are not for real  
You turn into a picture of somebody, yeah

Faster and faster and faster ahead  
As if you were waiting for me down the way

I have never seen you lying on the floor  
Crying needing more  
I have never seen you lying on the floor  
Crying needing more  
I have never seen you lying on the floor
