We live in a free world, I whistle down the wind  
Carry on smiling and the world will smile with you  
Life is a flower, so precious in your hand  
Carry on smiling and the world will smile with you

When every race is run  
And the day is closing in  
I don't care about the world  
I'm living for the light  
Don't cry for me today

We live in a free world, I whistle down the wind  
Carry on smiling and the world will smile with you  
Life is a flower, so precious in your hand  
Carry on smiling and the world will smile with you

I can not be your judge  
Mr. Jailer is your host, he's keeping you inside  
And hides you from the world  
No catcher in the rye can help you from yourself

We live in a free world, I whistle down the wind  
Carry on smiling and the world will smile with you  
Life is a flower, so precious in your hand  
Carry on smiling and the world will smile with you

Please Mr. Agony, release them for a while  
Learn them the consequences of living without life

We live in a free world, I whistle down the wind  
Carry on smiling and the world will smile with you  
Life is a flower, so precious in your hand  
Carry on smiling and the world will smile with you

We live in a free world  
(It's a free world yeah)  
Life is a flower ahh ahh ohh

I whistle down the wind  
Carry on smiling and the world will smile with you  
Life is a flower, oh, so precious in your hand  
Carry on smiling and the world will smile with you

We live in a free world  
Carry on smiling and the world will smile with you  
Life is a flower  
Carry on smiling and the world will smile with you

We live in a free world  
Carry on smiling and the world will smile with you  
Life is a flower  
Carry on smiling
