Life is a paradise, oh yeah

Lucky love belongs in teenage heaven I know, I know
'Cause I've been there with you tonight
Lucky love belongs in teenage heaven I know, I know
'Cause I've been there with you tonight

I believe life could be paradise once again
And the love we thought we lost is sleeping within
Close you eyes, it's something for you

Lucky love belongs in teenage heaven I know, I know
'Cause I've been there with you tonight
Lucky love belongs in teenage heaven I know, I know
I'm a prisoner of hope I know

We are young and we are old
We're falling like leaves
And your heart so full of soul It makes me believe
Once again it's something for you

Lucky love belongs in teenage heaven I know, I know
'Cause I've been there with you tonight
Lucky love belongs in teenage heaven I know, I know

A bridge over time is what she needs
To see the light, to see the light, oh yeah

Lucky love, lucky love
Lucky love belongs in teenage heaven
Lucky love, lucky love
Lucky love belongs in teenage heaven, oh yeah

Lucky love belongs in teenage heaven I know, I know
'Cause I've been there with you tonight
Lucky love belongs in teenage heaven I know, I know
I'm a prisoner of hope I know
