The man in the moon has a thousand different faces
The man in the moon changes colours each day
He's watching us all
The big and the small
Can he see
Just you and me
Searching for my destiny?
Mercy, mercy
You've gotta have pity on me
Have mercy on me
Mercy, mercy
Wanna be free and happy
Have mercy on me
Do you believe we can travel into the future?
Do you believe there's a man in the sky?
We're making him sad,
The good and the bad
Can he see
Just you and me
Searching for my destiny?
Ohh
Mercy, mercy
You've gotta have pity on me
Have mercy on me
Mercy, mercy
Wanna be free and happy

Have mercy on me
I don't wanna be just one in many faces
I want you looking at me
Sit down and take a look
Put me into motion
Give me something to believe
Mmm hmmm mmm
Mmm hmmm mmm
Mercy, mercy
You've gotta have pity on me
Have mercy on me
Mercy, mercy
You've gotta have pity on me
Have mercy on me
Ohhh,

Mercy, mercy
You've gotta have pity on me
Have mercy on me, mmm
Oh,
Mercy, mercy
You've gotta have pity on me
Have mercy on me
