I've got strange ways
But it won't take long my friend
I'm telling you someday baby, I'll be gone
I've got strange ways
But it won't take long my friend
I'm telling you someday baby, I'll be back again
I've got no one
But it won't take long my friend
I'm telling you someday baby, I'll be gone

God bless you
For being by my side when I fell through
You could hear me
You got internet gateways through my world
God bless you
I'm feeling all the force you're closing in
Take it easy
You dock at my side when I'm on fire

I've got strange ways
But it won't take long my friend
I'm telling you someday baby, I'll be gone
I've got strange ways
But it won't take long my friend
I'm telling you someday baby, I'll be back again
I've got no one
But it won't take long my friend
I'm telling you someday baby, I'll be gone
Sometimes, I lose it
Don't know where I'm going
But I do hope you follow all the way

God bless you
For being by my side when I fell through
You could hear me
You got internet gateways through my world
You don't know it
You're turning all this stone into a heart
I can see you
As you fighting a fire when I burn

I've got strange ways

But it won't take long my friend
I'm telling you someday baby, I'll be gone
I've got strange ways
But it won't take long my friend
I'm telling you someday baby, I'll be back again
I've got no one
But it won't take long my friend
I'm telling you someday baby, I'll be gone
Sometimes, I lose it
Don't know where I'm going
But I do hope you follow all the way
