Summer days (Summer days)

Lost in another way (uh yeah)
I was lost in another way (oh yeah)

Who was the man behind the mask
Exploring your secrets is no easy task
'Cause it happened long ago (oh yeah)
You told me the secrets of living large
And how to behave with my friend in the dark
Our story lingers on (oh yeah)

How I'm longing for you to give
Me some magic for us to live
If you told me it could be done
I'd believe

Summer days
At the sea
It was just you and me
I was lost in another way
Every day
Seconds ago
But why did you have to go?

A teardrop of rain is where you are
My perfect and gentle star of the stars
Our story lingers on (oh yeah)

How I'm longing for you to give
Me some magic for us to live

If you told me it could be done
I'd believe

Summer days
At the sea
It was just you and me
I was lost in another way
Every day
Seconds ago
But why did you have to go?

I just want to find a way
'Cause I wanna be with you again
That's the way it ought to be
Aha aha aha aha

Summer days
Summer days
Why did you have to go?

Summer days
At the sea (Let me know)
It was just you and me (Have to go)
I was lost in another way
Every day (Tell me why did you have to go?)
Seconds ago
But why did you have to go?

Summer days
At the sea
It was just you and me (Every day)
I was lost in another way (I was lost in another way
yeah)
Every day
Seconds ago
Why did you have to go?
