All I wanna say to you, Mmm yea

I was unfeeling
when you discovered me
gave me a reason
to not deny my needs

I was unwilling
to give my love away
but you decided
to give yours anyway

Oh, I can't express
the feelings I possess
for you baby

All I wanna say to you
is 'na na na na' unspeakable
All I wanna say to you
words can't describe it
All I wanna say to you
is 'na na na na' unspeakable
All I wanna say to you
words can't describe
Unspeakable
(mmm oh yea)

Never thought
I needed someone to call my own
but now that you've got me
don't ever let me go
you leave me unwanting
you silence every need
nothing is missing
your love is so complete

oh I can't express
the feelings I possess
for you baby

All I wanna say to you
is 'na na na na' unspeakable

All I wanna say to you
(All I wanna say, to, you, eh)
words can't describe it
All I wanna say to you
is 'na na na na' unspeakable

All I wanna say to you
words can't describe
Unspeakable

Never had
this feeling that brings me to my knees
you helped me
recover what's been eluding me
you're a
sensation that makes my love run free
and now
I'm speechless, it's all so clear to me

All I wanna say to you
(You leave me, unwanted)
is 'na na na na' unspeakable
All I wanna say to you
(Nothing, is missing)
words can't describe it
All I wanna say to you
(You leave me, unwanted)
is 'na na na na' unspeakable
All I wanna say to you
(Nothing is missing)
words can't define it
All I wanna say to you
(You leave me, unwanted)
is 'na na na na' unspeakable
(Unspeak-able)
All I wanna say to you
(Nothing, is missing)
words can't describe it
All I wanna say to you
(You leave me, unwanted)
is 'na na na na' unspeakable
All I wanna say to you
(Nothing is missing)
words can't define it
Unspeakable
