I knew you before about five years ago
Then you seemed to be like a person
Who didn't act like the people I knew
Yet something was special about 'ya
A bit insecure but still kind of cute
At the same time easy to talk to
And now I see you again
And you're looking so good

Voulez-vous danser avec moi
Voulez-vous danser avec moi se soir

I look in the mirror and what do I see

You're the same kind of person you're like me
And I can't run away I'm so attracted to you

Voulez-vous danser avec moi
Voulez-vous danser avec moi se soir

No more hesitation you're what I've been looking for
So stay close to me I want to give you a better life
L'amour éternelle
L'amour éternelle

Voulez-vous danser...
