Ace Of Base - Voulez-Vous Danser
=====

I knew you before about five years ago
then you seemed to be like a person
who didn't act like the persons I know
yes something was special about you
a bit insecure but still kind of cute
at the same time easy to talk to
and now I see you again
and you're looking so good

voulez-vous danser avec moi
voulez-vous danser avec moi se soir

I look in the mirror and what do I see
you're the same kind of person you like me
and I can't run away I'm so attracted by you

voulez-vous danser avec moi
voulez-vous danser avec moi se soir

no more hesitation
you're what I've been searching for
so stay close to me
I want to give you a better life
l'amour eternelle
l'amour eternelle

voulez-vous...
