Kiss me baby I'm snowwhite
Sleeping in a coffin
Waiting for you/waiting for magic
Baby I'm snowwhite
Sleeping in a coffin
Waiting for you/waiting for magic
A man of the world but lost in a dream
You look at something from a different angle
But I exist I'm waiting for you
In a coffin made of glass
Kiss me baby I'm attractive
Baby get to know me
Show who you are
Give me that magic
Baby I'm eternal
Lying in a coffin
Waiting for you
In your dream a girl is dancing
Close to you (that girl is me)
Once a witch made her sleep
But a prince will wake her up it's you
Kiss me baby...
In the tale is the place to find her
Reach out to get to know her
It means so much to me
The meaning of the book
O kiss me baby wake me up
O kiss me baby wake me up
Join in the story of the fairytale
Believe the dream you will not fail
O kiss me baby wake me up
Kiss me baby...
Waiting for magic it's what I do
Waiting for magic for me and you to kiss me
Baby wake me up
Caught in a dream how lucky you are
You can see me I'm the girl behind you
So open your eyes and turn around
And watch me dancing join the fairytales
Kiss me baby...
You cannot reach her on the planet
That the scientists want to call the earth

But if you use your imagination
You will see her
You will find her in your dreams
I see now shadows in my dreams
It is something so romantic
I can tell it's for real you'll see
