Don't send me no postcards  
Don't send me no letter  
No, no, baby

Ain't nothing you  
Can do now, girl, no  
That'll make things any better  
What I'm trying to say is

Baby, if you can't come yourself  
No, no, girl, oh, yeah  
If you can't come yourself  
No, girl, don't send nobody else  
No, baby, come yourself, yeah

While you're out there  
Having your fun, baby  
Don't forget about number one, yeah

You see we're so  
Connected, girl, yeah  
I'm just about to feel neglected  
What I'm trying to say is

Baby, if you can't come yourself  
No, no, oh, baby  
If you can't come yourself  
No, girl, don't send nobody else  
No, no, baby, come yourself

Cause I need you, girl  
In the worst way  
Don't think I can take it  
Girl, another day

So now, baby  
You made me do it  
Now come and see to it  
Yeah, yeah, yeah

Listen  
Don't wanna be selfish, no, no

Or hold on too tight but, honey  
It's a struggle yeah, yeah  
And I think I'm losing the fight  
What I'm trying to say is

Baby, if you can't come yourself  
No, no, oh, baby  
If you can't come yourself  
No, girl, don't send nobody else  
No, no, baby, come yourself

Ooh, baby  
If you can't come yourself  
No, girl, oh, baby  
If you can't come yourself  
No, girl, don't send nobody else  
No, no, baby, come yourself

Ooh, baby, baby  
If you can't come yourself  
No, girl, oh, baby  
If you can't come yourself  
No, girl, don't send me nobody else  
No, no, baby, come home yourself
