**My Song**

When I woke up this morning  
I made up my mind  
I think I'm gonna love you  
For a long long time

You were lying there sleeping  
The sunlight in your hair  
Then something happened to me  
When I saw you lying there

I could never paint a picture  
And words are hard to say  
So I wrote this song I'm singing  
Just for you today

This is my song and  
I'm singing to you  
I'll sing it to you  
For the rest of my life  
This is my song and I'm singing to you  
It's all I can do  
I can't make without you  
I guess I just wanted you to know

That if I could live forever  
And you were not there too  
I think I'd give it all away  
For one more night with you

This is my song and I'm singing to you  
I'll sing it to you for the rest of my life  
This is my song and I'm singing to you  
I'll sing it to you for the rest of my life

This is my song and I'm singing to you  
I'll sing it to you for the rest of my life  
This is my song and I'm singing to you  
I'll sing it to you for the rest of my life
