Lady, I was all alone  
I didn't know which way to go  
You came into my empty life  
Erased the pain and gave me hope  
Oh yeah

You set me free  
Just one look into your eyes opened the world to me  
You gave your soul and body, girl, so selflessly  
Took a lonely man right by the hand into the light  
You saved my life

Baby your love is all I need  
Girl you mean everything to me  
I can't let you go  
I've got to let you know  
Baby your love made me believe  
You saw the good I had in me  
You're the air I breathe

Girl I'm grateful for the gift of your love  
Your touch  
Girl I live for your love  
I thank you for the gift of your love  
I'm blessed  
By the gift of your love

Girl I'm crazy  
When I see you smile  
You bring me back to what is real  
You show me  
What I'm livin' for  
You tell my heart how you feel

You're a miracle  
And the answer to the prayer that I've been waiting for  
Oh, right down to my core

Baby your love is all I need  
Girl you mean everything to me  
I can't let you go  
I've got to let you know

Baby your love made me believe  
You saw the good I had in me  
You're the air I breathe

Girl I'm grateful for the gift of your love  
Your touch  
Girl I live for your love  
I thank you for the gift of your love  
I'm blessed  
By the gift of your love

You brought my heart to life  
Girl with you, no end's in sight  
I was running outta time  
Girl I couldn't find a sign  
Now you're my highest high  
With you I touch the sky  
I'm so thankful that you're mine

Baby you set me free  
Took a lonely man right by the hand into the light  
Oh you saved my life

Baby your love is all I need  
Girl you mean everything to me  
I can't let you go  
I've got to let you know  
Baby your love made me believe  
You saw the good I had in me  
You're the air I breathe

Girl I'm grateful for the gift of your love  
Your touch  
Girl I live for your love  
I thank you for the gift of your love  
I'm blessed  
By the gift of your love

It's all about your love  
It's all about your love  
It's your love
