We Are Here

(Herbalife Anthem)

We can cross any sea
Climb any mountain to reach our dream.
We just have to believe,
Trust the voice that is whispering within.
And no matter where we go
Well be standing together as one.

We are here. We are strong.
Finally found where we belong.
Herbalife
Round the world
Come together, we are one.
And well never give up
Knowing we can make a change.
Herbalife.

We have walked through the rain,
Now there's no place that I'd rather be.
And we all wear the name,
Side by side we are all family.
And no matter where we go,

Well be standing together as one.
We are here. We are strong.
Finally found where we belong.
Herbalife
Round the world
Come together, we are one.
And well never give up
Knowing we can make a change.
Herbalife.

We are here. We are strong.
Finally found where we belong.
Herbalife
Round the world
Come together, we are one.
We are here. We are strong.

Finally found where we belong.
Herbalife
Round the world
Come together, we are one.

And well never give up
Knowing we can make a change.
Herbalife.
