### "Parasite"

Frog eyes  
No traits of man  
I wish you were dead  
Out of your mouth  
A drooling sound  
You filthy parasite  
Licking the dirt  
Tell me is it good?

Empty hours, empty thoughts  
Parasite living  
Empty hours, empty thoughts

Unwanted parasite  
Putrefying guest  
We smell your lowness  
So why don't you just  
Leave her alone

Empty hours, empty thoughts  
Parasite living  
Empty hours, at your door  
Parasite living  
Leave her alone  
Empty hours, empty thoughts
