"Untie Your Hands"

Last call for brave hearts to save the world
Inside
No one's ready to die
Soldiers and prophets of promised lands
Outside
Honor their flag

Untie your hands
Hypnotized and mystified
Take leave of this shameful fight
Untie your hands
Drilled to prove that it makes sense
It takes much more to be a man

Seduced by lies
And incentives
Mourn silently
The shame of sacrifice
Never give it in
Never give it in

Untie your hands
Hypnotized and mystified
Take leave of this shameful fight
Untie your hands
Drilled to prove that it makes sense
It takes much more to be a man

Raise your eyes and beg for absolution
It takes much more to be a man
